

is the number of **CONVICTED FELONS** that have been transferred from **STATE PRISON** to **PRIVATE** facilities (halfway houses) here in New Jersey and then ...

**ESCAPED** into **OUR NEIGHBORHOODS!**

"Doctor's wife strangled and two daughters murdered by parolees in quiet suburban neighborhood..."  
(Cannpost.com)

"A convict with a record in Hudson and Essex counties who served 14 years in prison for a 1992 crime spree has escaped from a halfway house this week..." (The Jersey Journal)

"Raheem Newkirk, 26, of Paterson, had served barely half of his three-year sentence for drug dealing and aggravated assault when he walked away from a halfway house. When Passaic County detectives caught up with him, he pointed a handgun at one of them and tried to snatch a weapon from another." (The record)

Carnell Davis, 28, who took off from a Hoboken halfway house in April 2005 near the end of a 10-year armed robbery sentence...five months later, authorities said, he shot and killed two men before being arrested.  
(The record)

"Last year, 5,164 inmates were sent to the 25 state-contracted halfway houses in New Jersey. According to the state Department of Corrections, 304 of them walked away before completing their sentences." (The record)

...Kamisarjevsky and Hayes, who met in a halfway house and were on parole when the crime occurred, are charged with capital felony, kidnapping, sexual assault, assault, burglary, robbery, arson, larceny and risk of injury to children. (Cannpost.com)

**Remember to lock your doors and vote for change on November 6<sup>th</sup>**

**STOP** the **EARLY RELEASE** of **CRIMINALS** and the **EXPANSION OF PRIVATELY-RUN Halfway Houses!**
